Community engagement and media commentary

Co-authored report on public opinion in the US and Australia. Available [here](#).

Regular media commentator, including articles and op-eds in print and online in [The Washington Post's Monkey Cage blog](#), [The Guardian \(Australia\)](#), [BBC online](#), [ABC online](#), and commentary in [The Sydney Morning Herald](#), [The Australian Financial Review](#), [ABC Online](#), [The Age](#), [News.com.au](#), [The Guardian \(Australia\)](#), [The Daily Telegraph](#) (and other News publications). I have also conducted a number of television and radio interviews.

Additionally, I have been involved with public talks on polling and survey research, US and Australian elections, the Australian same-sex marriage plebiscite and populism.

Additional academic roles and service

- 2018-present *Principal investigator*, Cooperative Australian Election Survey, 2019.
The largest election study conducted in Australia to date, this was a \$140,000 survey of 10,000 Australians conducted during the 2019 federal election involving 10 researchers from five universities.
- 2019 "Voter behaviour" chapter, in Chen, P. et al. (Eds). *Australian Politics and Policy*, Open Textbook (senior and junior editions). Sydney: University of Sydney Press.
- 2018 *Guest editor*, special issue of Political Science, on Electoral reform and voter behaviour in Australia and New Zealand. Available [here](#).
- 2017-present *Research affiliate*, Centre for Translational Data Science, University of Sydney.
- 2017-present *University of Sydney Representative*, Australian Consortium for Social & Political Research.
- 2016-present *Academic advisory committee member*, Vote Compass, 2016 and 2019 Australian federal elections.
- 2015-present *Executive committee member*, Australian Society for Quantitative Political Science.
- 2014 *Coordinator*, 2014 Australasian Political Psychology Workshop, Melbourne.

Grants and awards

- 2018 Commercial Development and Industry Partnerships grant to fund planning for a cooperative election study (with Simon Jackman)
\$23,500 for research and teaching assistance, and workshop funding, to support the design of the survey and external grant applications.
- 2014-2016 Australian Postgraduate Award
Annual stipend to assist with the general living costs of full-time higher degree by research students.
- 2013-16 Travel awards valued between \$300 and \$1,000 for travel expenses to various political science conferences in Australia and the United States.

Relevant skills

Experience designing, running and administering undergraduate, postgraduate and executive classes in politics and quantitative research methods.

Proficient with *R*, Markdown and \LaTeX . Intermediate skills with *SPSS*.

A strong practical and theoretical understanding of democratic politics and policy-making, particularly in the US and Australian contexts, but also with a working knowledge of Canadian, UK and other systems.

Experience developing surveys and liaising with survey companies for academic research, campaigns and lobby groups.

Professional associations

American Political Science Association • Australian Political Studies Association • International Political Science Association • Australian Society for Quantitative Political Science • Midwest Political Science Association • Australian PSA standing group on Political Organisations and Participation
